Jessica, I would be happy to sit down for a meeting soon and bring you up to speed on the sidewalk policy development process. The remainder of this week is something of a challenge, can we try for next week? Wednesday morning looks good right now.

Hi Matt -

I hope this email finds you doing well. I got your contact from Blair Besten, and Dennis Gleason from CD15 recommended I reach out.

I am the Executive Director of the South Park BID in DTLA, and also Chair the Los Angeles Business Improvement District (BID) Consortium. We have a robust sidewalk working group (members cc'ed here) and have been working with Kevin James, Capri Maddox and some of the Council offices on a plan for sidewalk repairs that the BIDs could under take. I know CM Krekorian Chairs the B&F committee, so we thought it would be worthwhile to sit down with you and walk you some of the goals we're trying to achieve as they pertain to sidewalks and get your input.

Let me know if you have time - we can happily come to you at a time that's convenient.

All the best,

Jessica Lall
